

**LIGHTBOX
PHOTO CLUB**

St Lawrence CofE Junior School

Photography Club: Y3-Y6

Autumn Term 2025

Mondays (8th September to 15th December)
3.15pm to 4.15pm

Term Fees : £156

At Lightbox Photo Club we believe in teaching children to see the world around them differently and to inspire the creativity and confidence they gain from learning a new technical skill. Each child will be loaned a Nikon W150 camera and a host of different materials to fuel their imaginations each week. Topics covered will include composition, lighting, nature, action and still life photography and most importantly will be lots of fun! At the end of term each child will receive a personal digital gallery showcasing their best work to download and be really proud of.

The club is led by a professional photographer with sixteen years of experience in the role of Photography Director in both the magazine and newspaper and publishing industry.

How to book:

Please email hannah@lightboxphotoclub.com or call 07870 588545 with the following information:
