Learning how to sew is a real life skill. It is mindful and good for the soul! Kids will work on a half termly project, with something to take home each half term. Costs cover all materials, threads, trimmings and use of Magpie Makes equipment. We keep our club numbers small to ensure that everyone gets all the help they need along the way. Our projects are suitable for complete beginners as well as those children with experience.

## How to book:

The quickest way to secure your child's place in Magpie Makes art club is to email [suzie@magpiemakes.co.uk](mailto:suzie@magpiemakes.co.uk) at the time advertised by the school.

You will then receive a booking link and a password. Places will go to the first 9 parents to complete the booking process via the link for each session.

For your reassurance all Magpie Makes club leaders are DBS checked, first aid trained and have completed a child protection course.
