

Dear Parent/Carer,

Theatre Works are proud to host drama classes at St. Lawrence School and we are looking forward to welcoming new students to our acting group.

During the term we will cover exciting topics in our drama sessions. The variety in our classes keeps children focused and enthused and after their stimulating classes they are alert and stretched mentally and physically. For the budding performers we can help them in all aspects of performance work and for all our students we aim to increase confidence levels which will show in their school and social life. Most of all at Theatre Works we have fun through creative learning.

Over the summer term we will be working with the children in various areas of the performing arts including musical theatre, scripted material/plays, creative writing, and presenting. (For more information look at our website www.theatreworks.biz)
