

The Orchard & St Lawrence
Working Together for the Children of The Moleseys

Two schools, one partnership

Combining our strengths for the good of our pupils

The Orchard Infant School and St Lawrence CofE (Aided) Junior School have long worked in partnership to achieve the best outcomes for the children of The Moleseys.

The schools have forged a close working relationship, ensuring specialist teaching at the highest standards from Reception through to Year 6, and a seamless transition from

Years 2 to 3. Children meet regularly across the two schools and there's shared use of St Lawrence's MUGA pitch and expansive sports fields.

Our partnership also means that all children attending The Orchard are offered a place at St Lawrence, while The Orchard gives priority to younger siblings of children who already attend St Lawrence.

Two heads are better than one ... **Grace MacLean**, left, St Lawrence, and **Sally Cary**, The Orchard

"Our aim is to build on the strong, nurturing foundations made at The Orchard to enable our children to grow and flourish as independent and aspirational young people."

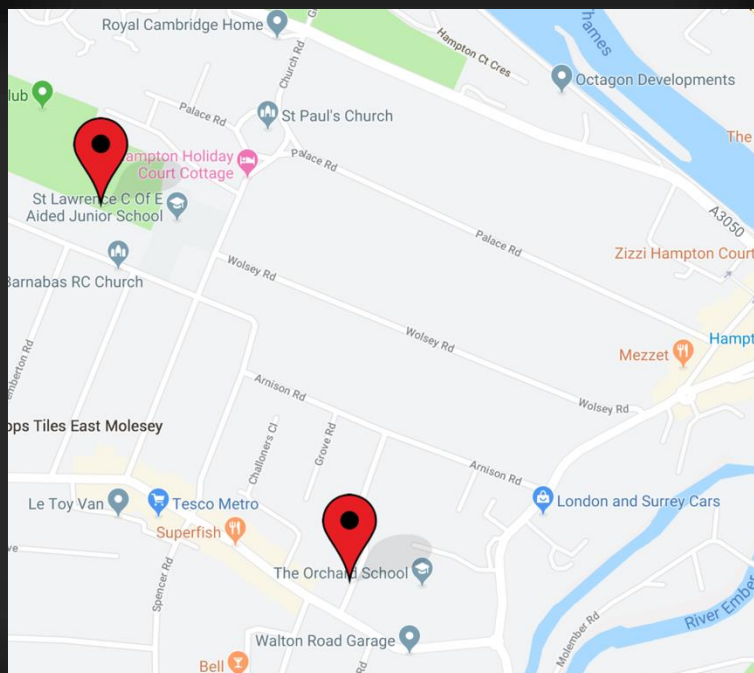

Grace MacLean, Head Teacher, St Lawrence CofE (Aided) Junior School

"These early years are the springboard for our children's future successes. Our aim is to inspire a love of learning and to instil in them the confidence to say, 'I can do that'."

Sally Cary, Head Teacher, The Orchard Infant School

Visit Our Schools

The Orchard is tucked behind the old police station in East Molesey. It's a short walk from St Lawrence.

The Orchard School
Bridge Road, East Molesey, Surrey KT8 9HT
