

UKS2	Christianity units: 3 per year	Concepts	Links with other learning in RE
Y5	What do Christians believe about creation?	Creation Free will	<p>← People believe different things about how the world began The creation narrative is shared by Christians, Muslims and Jews The Christian 'big story' (meta-narrative) begins with creation <i>As Christian views about creation differ, this is an important unit to help pupils to understand diversity within a faith community and where those beliefs come from, which is an essential skill for pupils to build on through all units in UKS2 and beyond, to KS3. This unit is especially relevant to the UKS2 thematic unit 'How did it all begin?' and the Y6 unit 'Who am I and where do I belong?'</i></p> <p>→</p>
	<ul style="list-style-type: none"> • Link with Science curriculum: creation / evolution theories • Humanity has choices – 'free will' • All of creation is affected by 'the fall' • One day there will be a new creation

Incarnation Salvation Covenant People	<p>← That God made covenants (promises) with his people throughout the Old Testament That Jesus' birth, life, death and resurrection are at the very centre of the Christian 'big story' (meta-narrative) That incarnation and salvation are core concepts within Christianity <i>This unit will be built on in 'Y6: Why is the resurrection good news for Christians?' and 'Y6: For Christians, what difference does it make to belong to God's Kingdom?' as they both explore the impact of beliefs about Jesus as Messiah on how Christians live their lives. I is also revisited in many of the thematic units for UKS2</i></p> <p>→</p>

It is especially important to revisit the global dimensions of Christianity in these units.</i></p> <p>→</p>

God Trinity Incarnation	<p>← That Christians believe Jesus is God's Son, God incarnate (in human form) and the Saviour / Messiah Christians experience God as Father, King, Creator, shepherd: these aspects relate to his character The Holy Spirit is God active in the lives of Christians <i>This unit links very well with the Y6 Kingdom unit, exploring what it means for Christians to allow God's Holy Spirit to work in and through them as they live in God's Kingdom. The concept of God being Three – and One – is an interesting comparison when pupils learn about the Trimurti in the Hindu Dharma unit, but also as a contrast to Jewish and Muslim beliefs about God being one and without equal</i></p> <p>→</p>
	<ul style="list-style-type: none"> • Holy Spirit is God at work in the world • Holy Spirit in relationship with Father & Son • Trinity in baptism of Jesus, creation & Christians' experience • How does this idea compare with other religions' beliefs?

Previous salvation units will all have included learning about the resurrection Gospel means 'good news': Jesus' life, death and resurrection are all a part of this good news <i>This is an important unit to help pupils understand Christian views about life now – and life after death – so it will link well into the thematic unit 'What does it mean to live a good life?' or 'Is life a journey?'</i></p> <p>→</p>
	<ul style="list-style-type: none"> • Adam, Eve, Christmas & Easter connections • In his death, Jesus dealt with sin • In his resurrection, Jesus dealt with death 		
Y6	For Christians, what difference does it make to belong to God's Kingdom? 	<ul style="list-style-type: none"> • Command to 'act justly, love mercy, walk humbly' – what does this mean? • What difference does the Holy Spirit make? • Lord's Prayer – on earth/ in heaven • Christians' beliefs about life after death

UKS2	Thematic units: choose 1 per year	Links with other learning in RE	
	<p>The thematic units are designed to help secure deeper connections in pupils' learning across the year, through the development of the Golden Threads: the concepts of God, Community and Identity. Where units are placed by schools in their long term plan will impact on the connections that are possible, so it's essential to plan thematic choices carefully. Whilst units may draw on learning from your wider curriculum, you must ensure that the focus remains on RE, and include a balance of religious and non-religious perspectives.</p> <p>The Golden Threads are a key feature of the thematic units as they help to ensure that pupils' learning is multi-disciplinary, and contains an age-appropriate balance of Theological, Sociological and Philosophical questions and approaches.</p> <p>The thematic units contain a balance of material to consolidate learning and new learning that builds on this, and so create ideal opportunities to gather evidence of pupils' progress. Schools can also decide to include content that relates to their own setting e.g. if you have Buddhist / Humanist pupils in your school, then the thematic units you choose could include material that helps pupils to understand Buddhism / Humanism.</p>		
UKS2	<p>How did all begin?</p> <ul style="list-style-type: none"> • What are the different beliefs about what happened? • Are there common threads across religions? • Can you believe in both God and science? • Is it important to know how the world began? 	 <p>This unit will investigate the ways in which people from religious and non-religious perspectives try to answer the question of how the world began – and evaluate whether pupils think it's possible to know for sure. This unit could draw on learning from:</p> <ul style="list-style-type: none"> • What do Christians believe about creation? • Y5 Science curriculum • What helps Hindus to worship? 	←
UKS2	<p>Is life a journey?</p> <ul style="list-style-type: none"> • Milestones – personal / others • How do we overcome hurdles on a journey? • How do people decide which way to go? • Is a journey better shared? • Plan a personal pilgrimage – how is it different to a journey? 	 <p>This unit will investigate how the journey of life is marked by milestones and choices and that pupils' beliefs, actions, and important people in their lives will influence the direction that this journey will take. During this unit pupils will explore their own life journey, in comparison to that of others, reflect on difficulties that may arise and where to look for support. They will consider the role of belief in choices that are made, including beliefs about life after death. This unit could draw on learning from:</p> <ul style="list-style-type: none"> • Why is the resurrection good news for Christians? • What do Christians believe about the Messiah? • What helps Muslims to live a good life? • Why should Hindus live a good life? • What is the 'Buddhist way of life'? 	←

The case studies will help to root this concept within the lived experience of different individuals and explore where their beliefs came from. This unit could draw on learning from:</p> <ul style="list-style-type: none"> • Why is the resurrection good news for Christians? • For Christians, what difference does it make to belong to God's Kingdom? • What do Christians believe about the Messiah? • What does it mean to be part of a synagogue community? • What helps Muslims to live a good life? • Why should Hindus live a good life? • What is the 'Buddhist way of life'? 	←

UKS2	What can be done to reduce racism? Can RE help? (NATRE materials)	 	<p>This unit is based on materials written by NATRE exploring the place of good learning in RE in helping to challenge racism and prejudice and promote justice and equality. The project on which these resources are based recognises that racism is dangerous and unjust, and seeks to give teachers resources for prejudice reduction that are also good RE. Pupils will also be encouraged to express their own visions for justice and equality.</p> <p>This unit could draw on learning, resources and approaches across the whole key stage.</p>
	<ul style="list-style-type: none"> • What do we mean by 'racism'? • What can we learn from two statues in Bristol? • How can the Golden Rule challenge racism? • Can good RE promote justice & equality for all? 		
Y6	Who am I and where do I belong?	 	<p>This unit comes full circle to a question that we asked in EYFS, and gives pupils in Y6 the opportunity to reflect on how the communities they have studied in RE might answer this question. It also gives pupils opportunity to consider their own personal knowledge, and the beliefs that they hold, which might help them to make the move into their next school.</p> <p>This unit could draw on learning across the whole Primary phase and also reflect the values that have been a part of pupils' time in your school.</p>
	<ul style="list-style-type: none"> • How do communities gain a sense of personal identity through the things they believe? • Apostles' Creed (Christianity), shema (Judaism) & shahadah (Islam) as statements of belief • What are the things that I believe – and where have my ideas come from? • How might these ideas help me as I move into Y7?
