Dear Parents and Carers

Here are the weekly reminders and school information:

Monday 12th May- Thursday 15th May

Year 6 SATS

Word from the Head

We thoroughly enjoyed Toucans' class assembly this morning that celebrated everything great about friendship! We learnt about the core values that make up a strong friendship, as well as taking part in a whistle-stop tour on famous friendships around the world. What really struck me was how united Toucans were as a class – what a fantastically strong team. Well done to Mrs Searle and Mrs Galvin who did a wonderful job preparing them all.

We took some time out of our busy schedules this week to remember and reflect on the significance of VE Day. We talked about how it is a time to honour the bravery and sacrifice of those who fought for freedom and peace. The children reflected on the significance of this historic occasion, as well reminding each other of the freedoms we enjoy today.

The girls enjoyed representing the school at their cricket match on Tuesday in the U11 Girls' Softball Cricket at East Molesey Cricket Club and as I write this the boys' team are preparing themselves to leave for their cricket match as part of the Geoff Richards Trophy. Good luck to all involved and thank you to Mr Devonport for all your input.

Our Year 6 children have been preparing tirelessly for the SATS next week and should be incredibly proud of themselves. We know that all their hard work will stand them in good stead for secondary school. It is really important that they all have a restful weekend, with early bedtimes (!) so that they are refreshed and ready for their SATS breakfast at 8am each morning.

Enjoy the warmer weather this weekend,

Mrs MacLean

Esher High transport petition

At least 81 Esher High Molesey pupils are having their free bus taken away by Surrey County Council. The organisers of this petition are pushing for the SCC to increase the paid bus, 814 in time for September. If this isn't increased, the transport deficit will affect all Esher High school students using the 814 in September. Please help encourage SCC by signing and sharing this new petition:

Transition Support for Parents

As we are coming close to SATS and the end of the school year, with many of your children moving on to pastures new, I want to be able to offer my Wednesday afternoon sessions to you as parents. The focus is so much on our children, that we often forget to look after ourselves and moving on to secondary school can be an emotional time for parents, as well as our children. If you would like support or just a friendly face at this time, please contact me via the details below, or via the school office, to arrange a chat.

Of course, for those of you with younger children in school, you are more than welcome to contact me. There may be something going on in your life, or anything impacting your children at school or at home, that is making life just that little bit more stressful. I am always here with a smile and a listening ear.

Please feel free to drop me a text or call me on 07871 079 205 to arrange an informal chat, either at the school or at a local coffee shop.
