

Computing Whole School Overview

	Aut 1	Aut 2	Spr 1	Spr 2	Sum 1	Sum 2
Year 3	Kapow: Computing systems and networks 1: Networks	Code.org: Course C Sequencing and Loops	Kapow: Computing systems and networks 2: Emailing	Kapow: Computing systems and networks 1: Journey inside a computer	Code.org: Course C Events and Data	Kapow: Online Safety
Year 4	Code.org: Course D Sequencing and Events	Kapow: Microsoft Office 365: Computing systems and networks - Collaborative learning	Kapow: Microsoft Office 365: Creating Media – Web design	Code.org: Course D Loops and Conditionals	Kapow: Data Handling – Investigating weather	Kapow: Online Safety
Year 5	Code.org: Course E Sprites, Variable and Data Analysis	Kapow: Computing systems and networks – search engines	Code.org: Course E Functions, Conditionals and Impacts of Computing	Kapow: Online Safety	Kapow: Data Handling – Mars Rover 1	Kapow: Skill showcase – Mars Rover 2
Year 6	Kapow Computing systems and networks - Bletchley Park and the history of computers	Code.org: Course F Sprites and Variables	Kapow: Computing systems and networks - Exploring AI	Kapow: Online Safety	Code.org: Course F Data and simulations	Kapow: Skills showcase - Inventing a product
