

St Lawrence C of E Junior School

# FRIDAY FLYER

20th March 2026

## *Word from the Headteacher.....*

### **This month's value: FORGIVENESS**

Hérons dazzled us with positivity this morning as they performed their talent-filled assembly in front of the whole school. We heard poetry, watched moon-walking and witnessed some incredible gymnastics as we all clapped along to Pharrell William's 'Happy.' A special well done to Danni who introduced the assembly with her expert guitar playing. Thank you, Mrs Galvin – success all round!

The school was buzzing today with creativity as all the children designed their special red noses for Comic Relief. Thank you for your donations towards this very worthy cause. The children, as always, demonstrated our school values of compassion and community as they learnt about where and how the money will be spent by the charity. Thank you to William B's mum who worked alongside Mrs Copsy on this mini project and for volunteering your time here and at the Orchard.

Our netballers showed more school values this week, demonstrating courage and perseverance during their matches against St Paul's, Cranmere and Claygate schools. Although not victorious, they played with skill and cooperation, displaying excellent sportsmanship throughout. Thank you to Mrs Marin who works tirelessly each week to train the team. Onwards and upwards!

We look forward to welcoming all of you next week at our parents evenings where we will share with you all the progress your children have made so far this year. Please look out for an improvement in presentation in their books – they may even have a special presentation sticker awarded to show their best efforts.

I will see some library volunteers this weekend as the revamp gets well and truly underway. Having had a few little peeks in the library this week, I can see it is looking incredibly inviting already and I simply cannot wait to see the final results!

Enjoy the brighter evenings this weekend,  
Mrs MacLean

## Message from Mrs Searle, Inclusion Lead

If your child is currently on a Support Plan or IEP, you will have received their reviewed plan—along with any new or updated targets—in book bags this evening (or you will receive them on Monday). These documents form part of our graduated approach to supporting children at our school, through small, personalised targets and focused interventions.

Please note that not all children with additional needs will have a formal plan.

Many are effectively supported through high-quality teaching and our Ordinarily Available Provision (OAP).

More information about special educational needs and OAP can be found on the Surrey Local Offer website:

<https://www.surreycc.gov.uk/children/support-and-advice/local-offer/parents-and-carers>

If you have any concerns about your child's needs, please raise these with your class teacher during Parents' Evening. If you would like further support or wish to discuss your child's needs in more detail, my next open SENCo/parent consultation session will take place on Tuesday 21st April and can be booked directly using the link below:

<https://calendar.app.google/5qP2wmhg6BVasAuP9>

Please ensure you select the correct date when booking.

If your concern is more urgent, you are very welcome to email me at [senco@stlawrence-junior.surrey.sch.uk](mailto:senco@stlawrence-junior.surrey.sch.uk) and I will respond as soon as possible.

### Church Road Entrance – Safety Reminder

We would like to remind all parents and carers to ensure that children do not go behind the bike shelter when entering or leaving the school via the Church Road entrance. This area is not safe for pupils, and we need everyone's help to keep this space clear at all times.

Barriers and signs have been put in place to guide families safely, but it is important that these are followed consistently. Your support in reinforcing this with your child helps us maintain a safe and orderly environment for everyone.

### Academic Mentors and Volunteers

Our volunteer numbers are growing! Could you join them and help with some one-to-one reading or writing? Even 30 minutes per week makes a huge difference to our children. Please click [here](#) to register your interest in becoming a volunteer with us. Thank you.
