*Inspired by the Christian faith, our children will treasure a **love of learning**, a **belief in themselves and others**, and a **respect for the world around them**, helping them to grow and flourish throughout their lives.*

Dear Parents and Carers

## Upcoming Dates

**Friday 20 September**

## Word from the Head

Thank you for coming along to our coffee mornings this week. It was great to see so many parents and carers and we hope you had a chance to ask any questions you may have had. We will be sending out the slides today. We will also be sharing your child's Curriculum Web with you which will outline the units of work that they will cover until the October half term in each subject. Your child will receive 6 of these over the course of the year which we hope you will find useful.

The House Captains were in full swing this week as they led our Thursday Achievement Assembly beautifully. They were also able to award our new Sports Captains their badges. Well done to all of you- an excellent start to your leadership roles! School Council, Reading Ambassadors and Worship Ambassadors will also be set up in the coming weeks and will be given exciting projects to lead on so if your child is interested in these roles please make it known to their class teacher.

We have managed to secure some more free hockey sessions run by the Old Cranleigh Hockey Club- this time for Year 6. Sessions will start next Thursday so please look out for further information. Shin pads and long socks are a must!

Do you know anyone who would be interested in a place at St Lawrence or any families with young children who may be considering their child's school journey? ## Performance

We would like to invite parents, carers, teachers, children and those in our local community to a FREE performance of '**Grandma on the Moon**' on **7<sup>th</sup> October 2024**.

**Grandma on the Moon** is a high-quality piece of theatre which raises awareness and understanding of the bereavement process from a child's perspective, encouraging us to have open, honest conversations around death & dying.

*Grandma on the Moon* shows how children grieve differently to adults which can often lead to misunderstanding and confusion. It raises awareness of different support strategies to help children manage conflicting emotions. We see the impact of memories and the importance of keeping those we have loved alive within our hearts and minds even though they are no longer with us.

**I have placed more information about the play below - would you be able to send the invitation out to parents and carers? Attached is the poster with a link to Eventbrite to register.**

**Tickets are free but registration is essential as places are limited:**
