Word from the Head

Happy new year! We have had a productive few days back at school and have loved seeing the children in their smart winter uniforms ready for an action-packed term of learning. All children took home a paper copy of the Curriculum Overviews in their bags yesterday which outline in detail what they will be learning over the Spring term. I always find these useful as a parent to keep track of topics that are being covered. As always, please do contact the class teacher if you have any questions about what your child is learning or about the progress they are making. We will of course have our next Parent/Carer meetings in March.

Thank you for all the lovely emails and comments at the gate about our recent OFSTED report. I think the words in the report speak for themselves. It truly is an exceptional school and one we are very proud to serve.

Thank you to those families who have set up their Direct Debit to donate to the school fund. (suggested donation of £10 per child per month). Currently, however, we only have 25 families who have done so out of a possible 150! The money generated from this fund goes towards trips, visits and curriculum resources to enhance your child's educational experience with us. Please do sign up today to donate to help us to continue to provide these rich experiences. (See information attached).

Thank you.

Allergy Aware

Please remember that we do not allow sweets, nuts, chocolate bars or fizzy drinks in school. Look out for bars/snacks in lunchboxes that may contain nuts as we have children in school who have nut allergies.

Pine House Mufti Day

Congratulations to Pine House who achieved the most house points last term. They will have their mufti day on Friday 12 January.

School Meals

A reminder that school lunches must be paid for in advance. The cost is £13.50 per week.
