Word from the Head

We have had all kinds of weather thrown at us this week but it has not deterred our efforts at school! Rocksteady and music tuition have started up again and the choir is growing week on week.

Pupil Progress meetings for each class have taken place with class teachers and the Senior Leadership Team and it has been a great opportunity for us to reflect on how well all our children are doing with their learning. Teachers will be having conversations with parents and carers over the next few weeks to discuss ways to support your child at home if appropriate. There may also be additional practice work suggested for your child. Above all else, reading bedtime stories and listening to your child read aloud every evening is always the most important and effective support that you can give.

I was both impressed and entertained this afternoon by James and Rafael in Wrens who demonstrated their excellent yoga moves to me in my office. It was certainly not what I was expecting but gave me some light relief from my paperwork. Well done boys!

Have a lovely weekend,

Mrs MacLean
