Word from the Head

It has been a busy week as everyone has been getting to meet their new teachers and classmates. Well done to all the children who were calm and sensible during the transition. There were many happy faces as I visited each classroom to see how the children were settling. We were also incredibly impressed with the Year 2 children from the Orchard who spent the morning with us.

A selection of Year 3 children represented the school beautifully on Tuesday evening when they returned to school to give a presentation to our new Year 3 parents. So many adults came up to me afterwards and commented on how clearly they spoke and how grown up they seemed. Good job Xanthe, Ilya, Toby, Saige, Lucy and Jacob. It's hard to believe you are now almost Year 4!

Year 4 had a super time at their Wittering trip on Thursday where they interviewed locals as part of their geography unit. The sun shone and the ice-cream was the highlight of the trip, of course!

Year 5 showed excellent leadership yesterday during their special sports morning with the Orchard children. I was incredibly taken aback by the maturity shown by all the pupils and how kind and caring they were during the whole morning. Well done Year 5!

Year 6 are now in full swing with their Hercules rehearsals- the costumes are incredible! Thank you, parents, for providing these and for the Year 6 staff for preparing them so well. You are in for a treat next week!

Here's to a successful- and calm- final few weeks,

Mrs MacLean

Year 4 Pizza Adverts!

Picture yourself hiking in a beautiful emerald green jungle with the cooling breeze hitting your face. You do not have one care in the world. Can I tell you what would make your day even better? Halve's Pizza – *the best of both worlds.*

Just imagine biting into an amazing, tasty slice of Halve's Pizza. The best part is there are two pizzas in one! What's not to love? On one half there is pepperoni, basil, cheese and garlic oil and on the other half there are olives, cheese and basil. You could even have garlic mayonnaise dip.

Olivia Rodrigo said, "This is my favourite pizza ever! I'm going to have this every time before my shows. I love it!"

10/10 people recommend our pizza and we have 5 star reviews from everyone who has tried it.

So, in conclusion, I think you should try Halve's Pizza. We are looking forward to seeing you soon!

Lots of people smile with happiness when they bite into our golden, cheesy pizza! We have a wide range of drinks like cold, fizzy, hot and alcohol! All our ingredients are fresh from the farm to your table.

Pizza Prime is better than every pizza place ever. Remember this place is the best. So all there is left to say is COME TO PIZZA PRIME!

Escape from a land of never-ending tornado hit hallways and rooms, complaining kids and a lazy husband lying in paradise telling you to just relax and that it is fine for the house to be messy. As you tidy your house, your kids get out what you've just put away. Suddenly, there's a knock at the door! When you look outside you see a man so you open the door and he gives you a pizza. As soon as you unseal the box, streams of golden light shine out and your life flashes before your eyes. You take a bite and you're lying on amber coloured sand sipping an ice-cold cocktail whilst a person fans you with a palm tree leaf and another person is giving you a massage. Then you realise you're in paradise.

Enjoy your weekend.
