## Word from the Head

Thank you to all of you who came along to our very successful Sports Day on Wednesday. We have been inundated with positive comments from parents, so thank you as always for your support. The sun shone, the children were fully engaged and the school was buzzing with life. Well done to Beech who won with 250 points- your winning cup sits proudly in the trophy cabinet for all to see! Thank you to all involved but especially Mrs Rey and Mr Paddington who worked tirelessly behind (and in front of) the scenes.

Year 5 had a fabulous time on their history trip to Butser Farm yesterday where they enjoyed chalk carving, jewellery making and house building with 'cluntch' which I am reliably told is a combination of chalk dust, soil, straw and water. Good job year 5- sounds like a brilliant experience for you all.

Well done to Year 4 who were out and about in the streets of Molesey interviewing the local community as part of their geography fieldwork. Many of those interviewed commented on how respectful, polite and mature our children were. Thank you for representing our school so well Year 4!

We welcomed a number of excited Year 2's yesterday as part of our transition package to St Lawrence and they were a delight to have at our school. We are very much looking forward to meeting the whole year group on the 2<sup>nd</sup> July and, of course, their parents the same evening for our 'New to Year 3 Parent Talk.'

We are looking ahead to the upcoming Spelling Bee next Wednesday- look out for more information on this in the coming days. It is a fun, competitive morning for the children.

Have a lovely weekend in the sunshine, finally!

Mrs MacLean
