Word from the Head

It has been a very busy week for Year 4 who enjoyed their night away at Ufton Court. Particular highlights included Roman and Celt battles, Roman banquets and Ms Raymonde's bedtime stories. From one pupil in Heron's when asked what the best bit of the trip was: "The sleeping because it was like a cross between the best ever sleepover and slow torture!" Thank you to all the year 4 team who went above and beyond over the two days.

We loved watching Swan's assembly this morning on everything they have been learning in class. We heard skilful piano and guitar playing, beautiful singing, poetry, rolling numbers and the children's ambitions for the future. We really do hope that you live out your dreams. Thank you, Miss Gould, for pulling a wonderful assembly together- particularly given the timing of the residential!

Year 6 have been busy in the Foodtech room this week as they have created wartime apple and pear crumbles. These looked delicious, if a little frugal. I'm sure the children also managed to have a taste or two along the way.

The whole school enjoyed a very special performance of Alice In Wonderland this afternoon in the school hall. These productions are always so well put together and the children were on the edge of their seats. Watching a theatre performance makes up one of our twelve features on our [12 Before 12 St Lawrence Guarantee](#) and we are pleased to be able to provide this opportunity for the children to enhance their educational experience. Thank you for all those who have donated towards the cost- please do see a separate reminder about paying **only £3** for this experience. 😊

We wish our runners all the very best tomorrow in their cross-country challenge- you've got this!

Have a lovely weekend,

Mrs MacLean
